5. General impression

Please write at least two strengths (positive aspects) of conducted meeting

8 responses

Networking, good cooperation business community with academic community

Helpful, constructive

na

Some useless discussions take too much time instead of dedicating much more time to essential challenges of the implementation of the MARDS project.

Organization and communication and conclusions

Well understanding

Very Good. Main Coordinator very well prepared for this meeting.

- Good progress of the project - Preparation of curricula

Please write at least two weaknesses of this meeting

6 responses

na

Much more orientation from the coordinator should be given to the essential part of the project.

Every participant representing partner Universities in the meeting should have an equal time for the respective institution presentation.

Some discussions

NA

Some small disagrees between partners. Lack of time up-to the application to MASR.

- Disputes between partners - Not trying very hard to find solutions on the problems raised

What should be taken into account for the next meeting / suggestions?

6 responses

na

Better management of time and equal rights to each participant and going to implement the main details of the MARDS projects as it is written in the application form.

Proceed as per project definition

Definition of project framework by all the albanian partners

None

Stop the disputed between partners
